

# Explorers Program

---

*Joe Dezio*  
*Deputy Explorers Program Manager*

May 25, 2006

## ***Explorer Program Mission***

The mission of the Explorer Program is to provide frequent flight opportunities for world-class scientific investigations from space within the Heliophysics and Astrophysics science areas:

The program seeks to enhance public awareness of, and appreciation for, space science and to incorporate educational and public outreach activities as integral parts of space science investigations.

# Explorers Science Missions Supporting **Heliophysics** and **Astrophysics**
